About the Chief

I have immense pride in being a member of the law enforcement profession and especially having the appointment and honor of serving as your Chief of Police since February 2018. I started my law enforcement career in 1987 as a trooper for the New Hampshire State Police. During my State Police tenure, I worked uniform patrol and then served fifteen years conducting narcotics and a variety of criminal investigations. After earning a promotion to Lieutenant I served as the drug unit commander and then the Special Services commander overseeing specialized units to include: K-9, aviation, motorcycle, crash accident reconstruction, drug recognition expert, drill team, D.A.R.E., and highway safety. I was also the liaison to the United States Secret Service with dignitary protection detail assignments and the Seabrook Station and Vermont Yankee nuclear power plant emergency response plans.
